I consent to photographing, filming, or videotaping of the procedure(s) to be performed, including appropriate portions of the body, for medical, scientific or educational purposes, provided that the identity of the animal is not revealed by the pictures, or by descriptive texts accompanying them.

**It is also understood by me, and I agree, that I shall be responsible for all costs in connection with any care and/or medical treatment of any sort of prescription(s) given to said animal and that payment shall be made by me, upon request and prior to return of said animal to my care.** An estimate of fees can be provided upon request and I am encouraged to discuss any concerns I have in regards to those fees. I understand that if the balance is not paid, my account may be referred to a collection agency and I agree to assume any and all costs associated with this action.
